Re: Freedom of Information Request

I am writing to make a request under the Freedom of Information Act 2000. Specifically, can you please provide details of the grants awarded by your Integrated Care Board in the financial years 2022-2023 and 2023-2024, which include at least one output or outcome that relates to support for victims of stalking?

For the purpose of this request, support may look like a variety of activities (e.g. counselling, information and advice, casework, perpetrator intervention

programmes, or staff training), however, there must be specific reference to working with victims of stalking.

For each relevant grant, please include the following details:

- The name of the grant.
- The total value of the grant.
- The duration of the grant.
- The name of the grant recipient(s) and/or service provider(s).
- A brief description of the support provided.
- The specific output(s) or outcome(s) related to the support for victims of stalking.
- Whether the service is open to all victims of stalking, including those where the stalking perpetrator is not the ex-intimate partner or family member of the victim).

2022-2023:

Name of Grant	Total Grant Value	Grant Duration	Grant Recipient(s) &/ Service Provider(s)	Support Provided	Specific Stalking Output(s) / Outcome(s)	Services Open to All Victims of Stalking* (Y/N)

* Please indicate whether the service is open to all victims of stalking, including those where the stalking perpetrator is not the ex-intimate partner or family member of the victim).

2023-2024

Name of Grant	Total Grant Value	Grant Duration	Grant Recipient(s) &/ Service Provider(s)	Support Provided	Specific Stalking Output(s) / Outcome(s)	Services Open to All Victims of Stalking* (Y/N)

*** Please indicate whether the service is open to all victims of stalking, including those where the stalking perpetrator is not the ex-intimate partner or family member of the victim).**
