

Our Public Statement of Commitment

Our Public Statement of Commitment to working with children and young people with special educational needs and/or disabilities and their families

We commit to working together, in partnership with you, to improve the support you receive. We want you to have the very best opportunities now and in the future. We will make sure you are able to have your say in what happens to you, in a way that suits you. We will value what you say.

We will use what you tell us to help us make plans and decisions, as well as in our day-to-day work.

We want to work with as many local people, groups, organisations and experts as possible to make our services the best they can be. We will do our best to not leave anyone out.

We know we might not get it right every time, but we will learn from our mistakes and improve as we go along.
